
Gotham. Season 2 720p HDTV x265 HEVC ShAaNiG This is the most controversial and heartbreaking season of Gotham to date, with consequences that will last for many seasons to come. The stakes are higher than ever before, and the battle lines are drawn not just between the law and criminals but also among those who share a common goal: Bruce Wayne.

We will absolutely take all suggestions and comments, so feel free to comment your thoughts below
